SUPER TWENTY ONE

CAPTURES ALL THE EXCITEMENT & CHALLENGE OF A LAS VEGAS CASINO!

Up to 4 Players try to beat the Dealer in this Fast Moving Video Game.

Highly visual Super Twenty One is one of the most exciting games ever designed. The monitor is continually changing ... dealing the cards, computing scores and regulating play of game.

CHECK THESE OUTSTANDING FEATURES:

- **Free hands and extra payoffs.** By scoring a natural (two cards totaling 21) players get a bonus hand and extra chips. Any five-card hand not exceeding 21 also earns extra chips. These features build extra excitement and suspense into every game.
- **Easy to learn.** The game can be learned in just minutes.
- **Variety of sound effects** create additional interest and enhance game.
- **Simple controls.** Player controls include **ante, hit** and **stand** buttons which control operation of hand.
- **Variable setting.** Allows operator to select speed of game.
- **Automatic operation.** Shuffling, dealing and scoring are all performed automatically.
- **Low maintenance.** Rugged, solid state electronics and quality components minimize service calls. Convenient hinged top provides easy access to internal mechanisms and circuits.
- **Reduced down time.** Should one coin mechanism become inoperable, the operator experiences down time only for that player, not complete machine down time. The other three coin mechanisms and game are still operable.
- **Simple to install.** This compact unit measures 32" x 32" x 27" and weighs only 140 pounds. Size permits easy moving to new locations.
- **Handsome.** Attractive, easy-to-clean, wood-grained finish is both pleasing to the eye and compatable with any decor.
- **Mirco warranty and service** assure reliable after-sales support if repair of game is required.
